

What is Fooda?

Fooda will be bringing a different restaurant to our building 11:30am to 1:30pm Monday – Friday.

Each restaurant curates their own unique menu and will "Popup" in the lobby. Come by and enjoy a tasty, convenient lunch! No pre-ordering is required. Just show up hungry and order from the menu like you would do at any restaurant. Cash, credit, or debit cards are accepted.

To see which restaurants will be coming to the building and claim a \$2 COUPON for your first meal download the [Fooda mobile app](#).

Once you download the app, press "*Get Started*," and search for "*816 Congress*". The available restaurants and \$2 coupon will be waiting for you on the app once the location goes live.
